

## Smoother Employee Benefit Plan Audits

Now may be a good time to assess how smoothly your most recent 401(k) plan audit went and whether the auditors delivered excellent service for a reasonable fee. If not, you will want to try the experienced auditors at Cooper Williams LLC, where we keep the process as smooth as possible and the inconvenience to you as minimal as possible.

## Why Cooper Williams?

Employee benefit plan auditing is an integral part of what we do and our clients know we do it well. We provide a level of service comparable to national and regional firms, but with more personalized focus and greater continuity. We start the planning process early, establish a pro-active audit schedule, and help you stay on schedule with regular updates. You will be pleased with the final report and the minimal inconvenience to you along the way.
